9:15-
10:15
60 min

2. Student Panels

Students from New Market
Emily Contreras, Senior, Grandview High School

- *How do you get career and college guidance and assistance?*
- *What sources of information do you use?*
- *Who at your school do you talk to?*
- *Does your school get your parents involved in career planning?*
- *Do you have a High School and Beyond Plan?*
- *What does it look like? What types of information does it have?*
- *Is this Plan helpful? Why or why not?*
- *How could career guidance be improved? What would make it more helpful for you?*

10:15
11:15
60 min

3. Counselor/Teacher Panels

Julie Strain, School Counselor, Anacortes High School
Lyn Desserault, School Counselor, Program Coordinator/Teacher, Grandview High School
Mary Huggler, Counselor, Washington High School (Franklin Pierce SD)

- *What is your school's approach to providing career planning & guidance?*
- *Do you use a particular curriculum?*
- *To what extent are classroom teachers involved in career planning & guidance?*
- *How do you use High School and Beyond Plans?*
- *What does a HSBP contain?*
- *What are HSBP's useful for? What are they not as useful for and why not?*
- *How do you get parents involved in career guidance for students?*
- *What other advisory models do you use?*
- *What types of career planning and guidance have you found to be the most useful?*
- *How could it be improved?*
- *Are there state policies that would help achieve this improvement?*

11:15-
12:00
45 min

4. Task Force Discussion:

- *What elements should be in a High School & Beyond Plan?*
- *Should there be any minimum requirements for HSBP established by the State?*
- *Are there other state policies that should be considered to support HSBP and other career & college planning?*
